AMENDED IN ASSEMBLY AUGUST 5, 2013

**SENATE BILL**

**No. 721**

---

**Introduced by Senator Padilla**

February 22, 2013

---

An act to amend Sections ~~19412~~ 19412, 19531.1, and 19549.12 of, to add Section 19549.17 to, and to repeal Section 19614.5 of, the Business and Professions Code, relating to horse racing.

LEGISLATIVE COUNSEL'S DIGEST

SB 721, as amended, Padilla. Horse racing.

(1) Existing law, the Horse Racing Law, generally regulates horse racing and vests the administration and enforcement of the Horse Racing Law in the California Horse Racing Board. A violation of the ~~act~~, *Horse Racing Law*, where no other penalty is expressed, is a misdemeanor. Existing law defines "proposition parimutuel pool" for purposes of those provisions as the total wagers under the parimutuel system on propositions approved by the board that are based on the results of a live quarter horse or harness horse race or races.

This bill would specify that a proposition parimutuel pool also includes the results of a live thoroughbred horse race or races.

(2) *Existing law authorizes the board to allocate racing weeks to licensed racing associations or fairs, and to specify the racing days, dates, and hours for horse racing meetings. Existing law divides the state into 3 geographical zones for purposes of horse racing, and prohibits the board from allocating racing dates to a private thoroughbred racing association in the central or southern zone if a fair racing association is conducting racing in the central zone on the*

*same dates and if the fair is obligated to make payments on a capital expense loan incurred to improve its horse racing facilities.*

*This bill would instead prohibit the board from allocating racing dates to a thoroughbred racing association in the central or southern zones if a fair racing association is conducting racing in either zone on the same dates.*

~~(2)~~

(3) Existing law authorizes any county or district agricultural association fair conducting racing meetings for the first time on or after January 1, 1979, to retain the applicable state license fee for payment of a capital expense loan incurred for the purpose of preparing its facilities for horse racing.

This bill would repeal that authorization. Because this bill would expand the scope of a crime by removing an exception, it would create a state-mandated local program.

*(4) Existing law designates a list of fairs and their locations that are part of the network of California fairs, which includes the Los Angeles County Fair, held in the City of Pomona.*

*This bill would authorize the Los Angeles County Fair, subject to approval by the board, to conduct live racing meetings at another site within or outside of the County of Los Angeles in accordance with specified provisions.*

~~The~~

(5) This bill would also make conforming *and nonsubstantive* changes.

~~(3)~~

(6) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
